### *Lady Broncos Start Season with a Win*

The Hastings College women's soccer team started the season off on the right foot with a 2-1 win over Baker University. The Lady Broncos started slow in the first half and went in to the intermission with a 0-0 tie. Baker scored early in the second half to take a 1-0 lead. The Lady Broncos came back in the 71<sup>st</sup> minute to tie it 1-1 and then 6 minutes later took the lead. The first goal was a long throw pass from Jesse Herse to Jessica Carlson, who tapped it past the keeper as she was aggressively taken down. The second goal, Sara Wenzl received a nice pass from Casey Friesen, cut the ball behind the defender and scored.

Coach Flogaites was very pleased with the win over Baker. He felt that, "the two finishes by Jessica Carlson and Sara Wenzl were sublime, inch perfect and we tried to expose them in areas we discussed at halftime. Sara's goal was her first collegiate goal after a super unlucky spell of acl tears so we were all extra pumped for her. Our defense (Battles, Strudthoff, Cortez & Glisan) did not really concede a strike through the run of play which is spectacular and is a real commitment to excellence and winning. In ten years of coaching I'm not sure I've ever seen a side so committed to winning the ball."

The Lady Broncos then turned around on Tuesday, September 2<sup>nd</sup> and rolled over Northwestern Oklahoma State. The Rangers were never in the game as Hastings controlled the match from the first whistle. The first goal was scored right away in the 4<sup>th</sup> minute by Jessica Carlson which is her second of the year. The Lady Broncos shelled the goal the first half but could only come away with one goal in the opening period. During the second period, the onslaught on goal continued and the Lady Broncos put 3 in the back of the net. The first goal in the second half was in the 59<sup>th</sup> minute scored by Shannon Buttner assisted by Casey Friesen. Then in the 77<sup>th</sup> minute, Sara Wenzl scored her second goal of the season. Jesse Herse was very busy all day but especially in this two minute span. She assisted the goal to Wenzl and then one minute later scored herself. Friesen assisted Herse's goal which was her second one of the day. The team outshot the Rangers 18-0 as the defense stymied the offense of NW Oklahoma State.

#### Coach Flogaites' thoughts on San Diego Christian:

I don't really know what to say since I haven't seen them play. I am expecting a tightly contested match and we are really excited to be able to kind of honor our seniors with a trip that should be a lot of fun and produce some electric, slinky futbol. We are looking forward to testing ourselves on the West Coast and earn things, because in futbol nothing gets handed to you for free. I also think that at one point their Coach Danny Salas actually trained our defender Magdalena Cortez which shows you just how small and great the futballing world is!

#### Coach Flogaites' thoughts on Embry- Riddle:

Todd Poitras is a talented coach and they are going to be a super side. Todd has been fabulous and put together a great tournament and we appreciate him inviting us. Again we want to test ourselves against quality sides and ERAU is exactly that. So we will go there and try to "do the business" and play our brand of futbol which has a nice sharpness to it at that moment.
