HASTINGS COLLEGE

Mission Statement

Drawing inspiration from our Great Plains home, our Presbyterian heritage, and our Liberal Arts history, Hastings College will graduate creative, curious and caring students equipped through exceptional teaching and deliberate mentoring to thrive as citizens of their local and global communities.

THE STUDENT HANDBOOK

One of the most important things a student can do is to stay informed about campus information, events, dates and policies. This Student Handbook has been produced to provide you with some of that important information. You are asked to be familiar with the information in the front of the handbook and to use it as a reference throughout the year. At times, due to changing federal and/or state regulations, the College may need to update policy information contained in the Handbook; if this becomes necessary, an updated copy will be posted on hastings.edu/student-handbook.

For the current campus calendar, click [here](#). Requests to put college events on the calendar can be submitted to a calendar manager, to find a complete list of managers, click [here](#). Questions about the campus calendar may be directed to the Office of Student Engagement at studentlife@hastings.edu. Updates to the materials in the front of the handbook may be e-mailed to Jill Rainforth, jrainforth@hastings.edu.

NOTICE OF NON-DISCRIMINATION

Hastings College is committed to equal opportunity employment and education and will not tolerate discrimination based on an individual's race, sex, religion, color, national origin, disability, marital status, veteran status, age, gender identity or sexual orientation, genetic characteristics or information, or any other basis prohibited by law. The Title IX Coordinator of the College has been designated to handle inquiries regarding the nondiscrimination policies.

The Director of Human Resources is the Title IX Coordinator for Hastings College:

Kari Fluckey

Hastings College

710 N Turner Ave, Hastings, NE 68901

(402) 461-7300

In addition, the college Diversity and Inclusion Team works toward a campus that is free from discrimination. More information is available in the Campus Policies section in this handbook/planner under Bias/Discrimination Concerns, Sexual Harassment and Sexual Misconduct.

EMERGENCY PROCEDURES

In a life-threatening emergency:

Call 911. Then call Campus Safety at 402.984.8064 to inform them of the situation.

In all other security and maintenance emergencies:

Call Campus Safety at 402.984.8064.

Campus Safety handles campus emergencies and will call the maintenance staff.

It is the duty of students, faculty and staff to report disturbing, abnormal, disruptive or threatening behavior, including threats to self or others.

During office hours, this behavior should be reported to the Office of Student Engagement at 402.461.7305. When offices are closed, reports may be given to a Community Living Coordinator, Jill Rainforth - Director Student Engagement, or to Campus Safety 402.984.8064. In a life-threatening emergency, call 911.

Adams County emergency notification system: It is recommended that all those on campus subscribe to the

AlertSense emergency notification system. The emergency notification services are free. AlertSense is available via the AlertSense app for Apple or Android located at ACEMA.ORG, or you can text your zip code (68901) to 37801.

Campus Emergency notification system (RAVE): All students, faculty and staff for whom the college has cell phone numbers are automatically enrolled in the college's emergency text notification system (RAVE). Emergency notifications are also sent to the Hastings College email addresses of faculty, staff and current students. These are the means by which the College notifies the College community of an emergency or serious weather condition without delay. Therefore, if you have a change of cell phone number or provider, please contact the Office of Student Engagement at 402.461.7305 or *studentlife@hastings.edu*. to update your information the college's records.

Campus wide safety notifications: In an effort to provide timely warning to the College community in the event of a crime which may pose a serious and ongoing threat to members of the College community, a timely warning notice is distributed to all students and employees via an all-campus email.

- **Timely Warning Obligations regarding Clery Act Crimes:** If the College determines that the alleged responding party(s) poses a serious and immediate threat to the College community, the Office of Student Engagement or a College administrator will issue a timely warning to the community which is to include information representative of a serious or continuing threat to students or employees. Any such warning will not include any information that identifies the reporting party's name and other identifying information while providing enough information for community members to make safety decisions in light of the potential danger.

Reporting crimes: Students and employees are encouraged to report criminal actions directly to the police by dialing 911. In addition, they should report crimes to college administrative personnel, who will maintain a record of such reports, as follows:

1. Criminal actions in the residence halls or Bronco Village Apartments should be reported directly to the Resident Assistant, Community Living Coordinator, Director of Student Engagement, Campus Safety, or Office of Student Engagement. All staff must report incidents to the Office of Student Engagement and follow up with a written report.
2. Criminal actions in other campus facilities should be reported to the Office of Student Engagement 402.461.7305 or Campus Safety 402.984.8064.
3. Voluntary Confidential Reporting: Students may report a crime on a voluntary and confidential basis through the www.hastings.edu/concerns website, a Hastings College professional, a licensed counselor (including those who act in that role under the supervision of a licensed counselor) or a pastoral counselor. These individuals who provide mental health counseling to members of the school community are not required to report any information about a crime without the consent of the individual reporting and all information reported will be without self-identifying information. The Campus Health nurse is also not required to report any information about a sex or gender based incident if disclosed during a medical exam.

Students are encouraged to be vigilant in protecting their own safety and should report all suspicious persons in or around campus housing facilities to a Resident Assistant, Community Living Coordinator, Campus Safety or Director of Student Engagement and the police if they believe the situation warrants it.

Crimes reported to the Office of Student Engagement or Campus Safety will be reported to the Hastings Police Department within 48 hours if requested by the reporting party. Crimes will also be handled internally in accordance with college policies.

Crime Statistics: Hastings College is concerned about the safety and welfare of all campus members and guests and is committed to providing a safe and secure environment. In furtherance of these objectives, and in accordance with the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542) as amended in 1992 and 1998 and renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, which requires Hastings College to collect, publish and distribute certain criminal data. The

office designated to compile and release these campus statistics is the Office of Student Engagement.

Reporting injuries: All injuries occurring on campus or during an off-campus college-sponsored event should be reported as soon as possible to Health Services at 402.461.7372.

Reporting missing on-campus students immediately: If a member of the Hastings College community has reason to believe that a student who resides in on-campus housing is missing; a report should be made immediately to the Office of Student Engagement at 402.461.7305 or Campus Safety 402.984.8064. Office of Student Engagement or Campus Safety will generate a missing person report and initiate an investigation. After investigating the missing person report, if the Office of Student Engagement/Campus Safety determines that the student is missing and has been missing for 24 hours, Hastings College will notify the Hastings Police department and the student's emergency contacts no later than 24 hours after the student has been determined to be missing. Each student residing in campus housing has the option of identifying person(s) (close friend, etc.) who can be contacted if the student is reported missing. In the case of a missing student who resides in on-campus housing – and is also under 19 years of age and not emancipated – their custodial parent or guardian will also be notified that they are thought to be missing. A student's confidential contact information will be accessible only to authorized campus officials and law enforcement as appropriate.

Campus Safety Office: The Campus Safety Office is located at 846 Ash Street and is available for all community members of Hastings College. Campus Safety is staffed 24 hours a day, year round. Please contact Campus Safety if you have any concerns about safety and security, including if you witness any suspicious activity. Campus Safety number is 402.984.8064. Campus Safety also provides Safe Walks and Safe Rides (please see **Safe Ride and Safe Walk**).

Law Enforcement & Jurisdiction: Hastings College Campus Safety staff does not have the authority to arrest individuals found in violation of state or local city law. Hastings Police Department does have arrest authority for individuals found in violation of state or local city law that are on Hastings College property. The Campus Safety staff work directly with Hastings Police Department to ensure the safety of all visitors, students and employees on campus. Hastings College does not have a memorandum of understanding with the Hastings Police Department at this time.

Notice of tornado and storm related information: The weather can change rapidly in Nebraska and the Hastings area is susceptible to tornadoes. Whenever the weather looks threatening, you are encouraged to monitor radio, television and internet broadcasts. The emergency management team in our area (Adams County Emergency Management) will sound the tornado sirens if: a) there are winds in excess of 70+ mph; b) a tornado is spotted or seen on radar, 7-10 miles away, or c) 1 3/4" hail or greater is expected. The sirens are intended to warn those who are outdoors. Those who are indoors are encouraged to monitor weather broadcasts during threatening weather. Local coverage is provided by KSNB-TV (the local NBC affiliate), broadcast from Hastings with weather reports that cover Hastings and the surrounding area. KHAS radio is AM 1230 and an additional resource is the National Weather Service (www.nws.noaa.gov). The National Weather Service has two categories to describe conditions related to tornadoes.

- **Tornado Watch:** weather conditions are such that a tornado could form. Weather broadcasts should be closely monitored.
- **Tornado Warning:** a tornado has been sighted and residents should take action to protect themselves.
 - **If indoors:** Go to the basement or an inside hallway at the lowest level. Safe areas in Hastings College buildings are listed below. Avoid places with wide span roofs such as auditoriums, cafeterias, large hallways or shopping malls. Get under a piece of sturdy furniture such as a workbench or heavy table or desk and hold on to it. Stay away from windows. Use your arms to protect your head and neck.
 - **If outdoors:** Where possible, get inside a building. If shelter is not available or there is no time to

get indoors, lie in a ditch or low-lying area or crouch near a strong building. Be aware of the potential for flooding. Use arms to protect head and neck.

- **If in a car:** Never try to out drive a tornado in a car or truck. Tornadoes can change direction quickly and can lift up a car or truck and toss it through the air. Get out of the car immediately and take shelter in a nearby building. If there is no time to get indoors, get out of the car and lie in a ditch or low-lying area away from the vehicle. Be aware of the potential for flooding.

In order to ensure a healthy and comfortable living environment, the college has regulations which are applicable to all campus residential facilities. Additional regulations may be added by the particular residence hall councils, the campus Campus Houses and the Bronco Village Apartment board to address specific situations in their facilities.

CAMPUS POLICIES

Hastings College is an educational institution in which a positive atmosphere of learning and a shared sense of community are highly valued. The College prides itself upon the principles of academic and personal integrity, mutual and self-respect, and individual responsibility.

Bullying and Harassment

Bullying and harassment include any inappropriate conduct, comments, or deliberately hurtful behavior towards a Hastings College community member that the person knew or reasonably ought to have known would cause that community member to be humiliated or intimidated. Bullying and harassment can be a single incident or can happen over a period of time. It can be either physical, verbal or indirect or a combination of any of these forms. Often it includes one or more of the following: intimidation, exclusion, rumor-spreading, name-calling, anonymous messages, damage to or theft of personal property. Examples of bullying can include cyberbullying, sexual and sexist bullying, racist and religious bullying, homophobic bullying and disability bullying. Students are encouraged to report all incidents of bullying to the Title IX Coordinator at 402.461.7300, by email at hccares@hastings.edu, or reported to www.hastings.edu/concerns. Appropriate action will be taken according to the guidelines of the Student Code of Conduct or HC Cares Policy.

Chapel Policy

Hastings College was established in 1882 by Presbyterians who firmly believed that the life of the mind and the life of the spirit go hand in hand. Every Wednesday throughout the semester, the Hastings College community gathers in French Memorial Chapel for worship at 11:10 am. No other campus activities are scheduled during this hour, so that students, faculty and staff may attend worship.

Class Attendance

Students are expected to attend courses regularly and are responsible for course work whether present or not. If you have a reasonable excuse for missing a class session (college related activity, illness, jury duty, etc.) please notify your instructor before class and take responsibility for arranging an alternative form of contribution to the class. The college believes in giving students freedom to own their education. However, excessive absences, excluding illness or emergency, may result in dismissal from the course with no credit. Absence of two or more days in a two week block or five or more days in a seven week block are correlated with risk of not finishing a course. Faculty members will explain any specific applications of this policy, such as grade penalties for unauthorized absences, at the beginning of each block. No penalty will be given for college related absence when documented by college personnel, however the absence will be recorded as such. Questions on class attendance may be addressed to the Office of the Academic Affairs, 402.461.7326.

Diversity and Inclusion Team

Hastings College has made a commitment to work toward a campus that is free from all discrimination and that celebrates the diversity of its various community members. To maintain this commitment, Hastings College has established a Diversity Team (DT). This is an open group comprised of students, faculty and staff and is chaired by the Dean of Student Life on campus; to provide support to students who are affected by discrimination; and to support and cooperate with diversity related organizations on campus. More information can be found at www.hastings.edu/diversity.

Reports of discrimination incidents should be made to the Title IX Coordinator, the Dean of Student Engagement, or Dean of Student Life. Reports can also be emailed to hccares@hastings.edu or to www.hastings.edu/concerns. See the sections below on Sexual Harassment and Sexual Misconduct for information about making reports of incidents of these types.

Endangering Self or Others/Self-Care

Being a positive member of the Hastings College community requires the ability to assure one's own welfare and meet traditional, basic obligations. This means, in part, that students must be willing and able to care for themselves and behave in ways that will not cause problems for themselves or those around them, nor negatively impact the welfare, safety and success of other community members. Examples would include, but are not limited to, caring adequately for one's physical and emotional health, dealing appropriately with life challenges, getting along with others successfully, making adequate academic progress and not causing or threatening to cause harm to one's self.

The College offers a number of resources to assist with academic, emotional, and physical stress. It is the expectation that students will seek out and/or accept services (on-campus or off) when in need. If the college believes that a student's health or behaviors may endanger themselves or other members of the campus community, the college reserves the right to require that the student vacate campus housing and/or withdraw from the college. In addition, the college reserves the right to contact a student's parent or legal guardian if a student may be a danger to self or others.

Firearms, Weapons and Fireworks

Firearms, weapons and fireworks of any description are prohibited on Hastings College property. This prohibition includes, but is not limited to, all handguns and rifles, airsoft guns (and similar guns which fire projectiles), BB guns, potato guns, paintball guns, explosives, fireworks, firecrackers or dangerous chemicals, shells, blow darts, bows and arrows, and hunting and fishing knives. The college reserves the right to decide what is prohibited under this policy. **Note: The carrying of concealed weapons is prohibited on the Hastings College campus under college policy and by Nebraska State Law.** Secure off-campus storage for hunting equipment and guns can be arranged at the Four Rivers Gun Club. Contact Ron Hergott, Lifetime Sports Director, for more information on storage at 402.461.7316.

Faculty, staff and students are required to have approval from the Hastings College Foundation, prior to soliciting funds for any group or individual cause or program directly or indirectly connected to the college. This includes, but is not limited to, selling merchandise, soliciting advertising, asking for donations (cash or non-cash donations) and applying for grants. Chewing tobacco and vaping is not allowed in academic buildings or in campus housing. Those who use chewing tobacco or vaping in non-academic and non-residential buildings are required to use safe and proper disposal methods.

Texting and Emergency Text Alerts

Texting during class or events such as music and theater events, speeches, and other campus performances is discouraged. Students may be asked to leave these venues if texting during them. Students may leave phones on and in silent mode during these events in order to receive any emergency alerts sent by the college. All emergency alerts from the college will be sent by e-mail and text message.

- All parties have the right to written notice of the outcome of sexual misconduct resolution proceedings.

HC Cares Policy – Confidentiality

To make informed choices, all parties should be aware of confidentiality & privacy issues, as well as institutional mandatory reporting requirements.

CONFIDENTIAL REPORTING: If reporting students wish that details of an incident be kept confidential, they should speak with a campus mental health counselor, the chaplain and/or a member of the health service staff. All of these College services are free of charge and they can maintain confidentiality. There are also local resources in the Hastings community which include private mental health counselors or the SASA Crisis Center. These resources are confidential and have no duty to report your information to Hastings College.

MANDATED REPORTING: Many Hastings College employees who are not designated above as confidential, are considered responsible to report all the details of which they are aware about in regards to a sexual misconduct incident (see specific list in the HC Cares Policy). They share this information with the Title IX Coordinator. You may request confidentiality to the Title IX Coordinator or Deputy Title IX Coordinator. They will weigh your request against the HC Cares policy, and the need to address and remedy discrimination under Title IX. Generally, Hastings College will be able to respect your wishes, unless it believes there is a threat to the community based on the use of weapons, violence, pattern, predation, or threatening conduct by the person being accused.

INCIDENTS INVOLVING MINORS: Hastings College's institutional duties with respect to minors (those under the age of 19), may require reporting of sexual misconduct incidents to local law enforcement. As a result, confidentiality cannot always be guaranteed in sexual misconduct incidents involving minors.

HC procedures are detailed in full in the HC Cares policy at www.hastings.edu/hccares.

The resolution process is confidential & includes these steps:

- Intake Assessment & Preliminary Inquiry
- Investigation
- Disciplinary Findings/Sanction Meeting
- Final Determination
- Appeal Procedure

HC uses a preponderance of evidence standard, which means it is more likely than not that a violation occurred. Sanctions for violations of the HC Cares Policy range from warning and loss of privileges to suspension or expulsion/ termination.

If you experience an act of Sexual Misconduct, here are immediate steps to follow:

- Go to a safe location as soon as you are able.
- Call someone you trust. A friend, family member, or victim advocates are good resources. You do not have to go through this alone.
- Preserve evidence. After sexual violence, do not shower until you have considered whether to have a no-cost forensic sexual assault examination at Mary Lanning Healthcare. After sexual violence, relationship violence, and/or stalking, save the clothes you were wearing (unwashed) in a paper or cloth bag. Take photos of any damage or injury, and keep communication records. Evidence collection should be completed within 72 hours of incident, but fluids, hair samples, and DNA can be collected for a long time thereafter. Even if you have washed, evidence can often still be obtained.
- After unwanted physical contact, get medical attention. A medical provider can check for and treat physical injury, sexually transmitted infections or diseases, and pregnancy. You do not need to make a formal report or press charges to receive medical care.

How to report an incident of Sexual Misconduct or HC Cares Policy violation:

- **Contact any of the following for assistance:**
 - a. Submit a report at www.hastings.edu/hccares/making-report
 - b. Email hccares@hastings.edu
 - c. Title IX Coordinator at 402.461.7300
 - d. Campus Safety at 402.984.8064
 - e. Office of Counseling Services at 402.461.7424*
 - f. Office of Student Engagement at 402.461.7305
 - g. Office of Health Services at 402.461.7372
 - h. Spouse Abuse Sexual Assault (SASA) Crisis Center 402.462.5810; Confidential 24-hour Hotline, 402.463.4677*

**Denotes that this resource is privileged. They will talk with you confidentially about your options for additional support services and reporting.*

- **Consider making a formal report and choose how to proceed.** You have options: 1) Do nothing until you are ready; 2) Pursue resolution by Hastings College; and/or 3) Initiate criminal proceedings; and/or 4) Initiate a civil process against the perpetrator. You may pursue whatever combination of options is best for you. If you wish to have an incident investigated and resolved by Hastings College, students and employees should contact the Title IX Coordinator in the Office of Human Resources or employees can also contact the Title IX Deputy Coordinator in Studio 200 or Athletic Department. Hastings College procedures will be explained. Those who wish incidents to be handled criminally should contact the Hastings Police Department. A campus official is available to accompany students in making such reports, if desired. Contact the Title IX Coordinator for more information.
- **Amnesty for individuals reporting a potential HC Cares violation:** Hastings College encourages the reporting of harassment, discrimination, sexual misconduct and crimes by all members of our community (i.e. 3rd party reporter and reporting party). At times individuals are hesitant to report to College officials or participate in resolution processes because they fear that they may be accused of policy violations that

occurred at the time of the incident, such as underage drinking. It is in the best interest of this community that as many individuals as possible choose to report to College officials, and that witnesses come forward to share what they know. To encourage reporting, the College has a Good Samaritan Policy (Hastings College Student Handbook) which offers individuals who are the reporting party, 3rd party reporter, and witnesses of misconduct amnesty from minor policy violations related to the incident. The College pursues a policy of amnesty for students who offer help to others in need. [While policy violations cannot be overlooked, the College will provide educational options, rather than punishment, to those who offer their assistance to others in need.]

HC DIGITAL INITIATIVE - iPads/Apple Pencils

Information and terms and conditions related to the HC Digital Initiative (iPad, Apple Pencil and textbooks) can be found [here](#). All students using an HC-managed mobile device operate under the current [Student iPad Responsibility Agreement](#).

APPROPRIATE COMPUTER USE POLICY

The Hastings College IT Team provides information technology resources and services to students, faculty, administration and staff to further legitimate institutional purposes and programs. All persons associated with and utilizing Hastings College information technology resources are responsible for reading and adhering to the contents of the College's Appropriate Computer Use Policy (see below). The College's information technology resources should be employed appropriately and responsibly. It is important to use these resources in a manner that does not infringe on another individual's academic freedom, does not impede another individual's intellectual inquiry, and does not interfere with another individual's use of these resources.

Appropriate Use

Computer resources are made available to Hastings College students, faculty, and staff for academic, research, and administrative purposes. All individuals who use the College information technology have the responsibility to use them in an effective, ethical, and legal manner.

Inappropriate Use

Any activity involving Hastings College's information technology resources that knowingly interferes with another person's academic freedom, the institution's goals or policies, or violates state or federal law is not acceptable. Some examples of inappropriate use include, but are not limited to:

- Attempting to gain access to personal information, computer accounts, or computing resources for which you are not authorized;
- Allowing others to use one's account to access campus computer resources;
- Not logging off from public terminals, thereby providing others access to computing resources for which they may not be authorized;
- Damaging, altering, or tampering with others' data contained appropriately within or transported by Hastings College computing facilities;
- Violating the confidentiality of information associated with an individual or their research, or information associated with the college;
- Any form of electronic eavesdropping, e.g., examining the contents of data packets transmitted on the campus network;
- Any form of disrespectful, harassing, or threatening activity;
- Violating copyright protection and authorizations, license agreements, and contracts and the circumvention or disabling of controls intended to reduce theft or distribution of materials;
- Any commercial use, or use for profit;
- Transfer and/or unauthorized use of College computer names and addresses;
- Activity on any non-campus network, such as internet, that violates their usage guidelines (see usage guidelines from these various networks).
- Violate copyright laws and their fair use provisions through inappropriate reproduction and/or distribution

of music (including MP3 files), movies, computer software, copyrighted text, images, etc. Many of these examples involve violations of law. For example, unauthorized access to another person's information stored on a computer system is a violation of that individual's right to privacy and is a crime. The Hastings College IT Team is authorized to investigate and report to College administration when inappropriate usage of information technology resources is detected or suspected. Actions taken may include, but not limited to examining the contents of data files, reports, and system activity logs maintained on College information technology resources. Electronic files and data created, sent, received, or stored on computers and other information resources owned, leased, administered, or otherwise under the custody and control of the college are the sole property of Hastings College.

Results of Misuse

Misuse of computing resources may result in suspension of access to technology resources, referral to an appropriate authority on campus, and/or referral to a law enforcement agency. Disciplinary action by the College may include suspension, expulsion, and requirement to make financial restitution.

Accessing E-Mail

Hastings College provides an e-mail account to every student. Professors, administration and staff regularly send information to these accounts. Students are expected to consistently and frequently check on-campus e-mail accounts for time-sensitive messages.

Mass E-Mail Policy

It is a violation of Hastings College policy for students to send an e-mail to all or a significant number of students, faculty and/or staff without permission from the College. Announcements to the campus should be submitted through the Student Experience Team or the Academic Dean's office.

E-Mail Account Termination

Students withdrawing from Hastings College without definitive plans to return the following semester will be provided 60 days to archive messages from a College email account prior to automatic deletion of the account. Graduates from the College will be afforded the opportunity to retain College email accounts on a year to year basis provided the account remains in active use. The College reserves the right to immediately deactivate email accounts for students who have been suspended or expelled.

Passwords

The use of strong passwords to manage access to the college's information resources is encouraged. A strong password generally uses a combination of upper and lower case alpha characters associated with numeric characters of at least eight total positions in length (e.g. 'eJh048bZ'). As a reminder, passwords should not be shared and should be changed on a regular basis.

Guests Using Campus Wireless Network

Guests wishing to use the campus wireless network may log into the HC Public network.

POLICY ON POSSESSION AND USE OF ALCOHOL AND DRUGS

Definitions

The term "Alcohol," as used in this shall include alcoholic spirits, liquor, wine, beer, and every substance containing alcoholic spirits, liquor, wine or beer.

The term "illegal drug" shall mean any controlled substance included in Nebraska Revised Statutes § 28-405 (which lists controlled substances regulated under Nebraska criminal laws relating to drugs and narcotics), any "controlled substance" as defined under federal law in 21 U.S.C. § 801 *et seq.*, and any otherwise lawfully available drug (such as over the counter or prescription drugs) used for any illegal or unauthorized purpose.

Philosophy

The College cares about its students and employees, their health, and well-being, and it encourages all individuals to care about each other. The College recognizes that there are many academic and social problems associated with the consumption of alcohol and illegal drugs, which have a negative impact on students, employees, and campus life in general. In recognition of the problems associated with the use of drugs and alcohol on college campuses, and in accordance with the Drug Free Schools and Communities Act of 1989, Hastings College has adopted the following policy regarding the possession and use of alcohol and illegal drugs on and off campus:

Standards of conduct for students and employees of Hastings College and their guests:

1. Actual, attempted or promotion of the unlawful possession, use, or distribution of drugs and alcohol by students and employees on Hastings College property or as part of any Hastings College activity is prohibited.
2. All laws pertaining to alcohol and drug use must be observed at all times, including, but not limited to, legal drinking age, prohibitions against providing alcohol to minors, and restrictions against operation of a motor vehicle while under the influence of alcohol and/or drugs.
3. No illegal drugs or paraphernalia may be possessed or used on or off campus by any Hastings College employee, student or guest. The possession and/or use on or off campus of any illegal drug by a Hastings College employee, student or guest will subject the student or guest to disciplinary action, up to and including dismissal from the College.
4. No alcoholic beverages may be possessed or consumed on or off campus by any Hastings College employee, student, or guest under the age of 21.
5. Alcoholic beverages are allowed within the confines of individual Hastings College Bronco Village Apartments or campus houses only if all residents of that particular apartment are of legal drinking age. Alcoholic beverages may not be consumed in individual Hastings College Bronco Village Apartment or campus house if minors are present.
6. On rare occasions and by prior written approval of the Hastings College President, an event for alumni and/or community members being hosted on campus in an academic or administrative building can serve alcohol. Alcoholic beverages cannot be consumed by anyone under the age of 21 and must be served by an approved licensed vendor following all campus, state and federal laws.
7. No alcohol cans, bottles, or paraphernalia are allowed in the College residence halls. No advertising for beer or other alcohol may be accepted in any campus publication or for display on campus.
8. In an effort to deter underage drinking on or off-campus, Hastings College expects these guidelines to be followed at events where alcohol will be served and where HC student may or are present:
 - a. No college funds, including campus organization treasury funds processed through the Hastings College Business Office may be used to purchase alcohol for any student event.
 - b. Each student event must ensure compliance with the laws of the State of Nebraska and the Hastings College Code of Conduct.
 - c. No posters, signs, or e-mail announcements promoting alcohol may be displayed on campus.
 - d. No tickets for any student events with alcohol may be sold on campus.

Legal Sanctions

Local, state and federal laws prohibit the unlawful possession or distribution of alcohol and illicit drugs. Violations of such laws are criminal offenses. Sanctions and penalties for such violations may range from probation to substantial monetary fines and/or imprisonment for substantial time periods if prosecuted in the criminal or civil courts. Additionally, convictions for possessing or selling illegal drugs may impact a student's eligibility for federal student aid.

College Disciplinary Sanctions:

- A. Disciplinary sanctions for students violating alcohol and drug provisions of this policy or the Hastings College Student Code of Conduct will be imposed. These may include, but are not limited to, the following series of sanctions or combination thereof:
 - i. First Violation

- Parental notification
 - Fine or service hours
 - Mandatory completion of alcohol or drug education program
- ii. Second Violation
- Parental notification
 - Fine or service hours
 - Probation
 - Mandatory screening with certified drug and alcohol counselor
- iii. Third Violation and above
- Parental notification
 - Fine or service hours
 - Probation
 - Suspension from residency or the college
- B. Hastings College Good Samaritan Policy: Student health and safety are primary concerns of the Hastings College community. Students are expected to contact Campus Safety, a member of the residence life staff, or other college official when they believe that medical assistance for an intoxicated/ impaired student is required. In case of medical emergency or in the event that a college official cannot be reached, students should call 911 for assistance from local police, fire, or medical emergency professionals. When such assistance is sought for an intoxicated/ impaired student, the students and/or organizations seeking help, as well as the individual assisted and others involved, will not be subject to college disciplinary action with respect to the alcohol policy. (This policy does not preclude disciplinary action regarding other violations of college standards, such as causing or threatening physical harm, sexual abuse or violence, damage to property, harassment, hazing, etc. Students should also be aware that this college policy does not prevent action by state and local authorities.)
- In order for this policy to apply, the intoxicated student(s) must agree to timely (within 30-60 days) completion of recommended alcohol education activities, assessment, and/or treatment depending upon the level of concern for student health and safety. Serious or repeated incidents (more than one time) will prompt a higher degree of medical concern. Failure to complete recommended follow-up will result in sanctioning up to withdrawal from the college.
- C. State of Nebraska Good Samaritan Law (LB 439): provide limited protection for Nebraskans under the age of 21 who seek medical assistance related to alcohol poisoning. LB 439 will grant intoxicated minors a limited legal immunity when they seek help for themselves or another individual who is in need of immediate medical attention. The law will only apply to those who 1) are intoxicated 2) call for medical assistance and 3) cooperate fully with law enforcement when medical attention arrives.
- D. Consistent with Hastings College responsibility to take action against acts of Sexual Harassment, Misconduct and Violence, a person reporting and bystanders involved the report of such an incident will not be held responsible for an alcohol violation disciplinary sanction under the Policy on Possession and use of Alcohol and Drugs. The responding party (person committing the act) can be held responsible for their actions under the Policy on the Possession and use of Alcohol and Drugs, the Sexual Harassment Policy, Sexual and Misconduct and Violence Policy. Additionally the responding party can also be exposed to criminal and civil proceedings outside of Hastings College.

Support and Prevention Services

Hastings College is committed to increasing employee and student awareness of the issues related to alcohol and drug use and abuse. In an effort to curb the negative effects of alcohol and drug use, the College takes the following steps:

- a. Hastings College provides annual educational efforts to increase awareness about the effects of alcohol and drug use, including in-class and extra-curricular lectures and discussions. Information is also provided through digital media, posters, and pamphlets, and peer educational efforts promoted through the Peer Umbrella Network student organizations. Peer Umbrella Network teams are trained annually by the

Director of Campus Health Services.

- b. Greek organizations are provided additional education on the topic of hazing and chapters sign an Anti-Hazing Policy statement.
- c. Drug and Alcohol Counseling Treatment or Rehabilitation Programs: The Stone Health Center coordinates and offers a variety of alcohol and other drug abuse prevention and education services for students, referral services, alcohol and other drug education classes, and peer alcohol educators. In addition, counselors provide confidential screenings, counseling, and treatment/rehabilitation referral services for those students who are having difficulty with alcohol and drug use/abuse.
- d. Hastings College also provides confidential counseling support through the Counseling Center for those wishing to decrease or prevent their consumption of alcohol or drugs and/or deal with alcohol/drug related problems. This may include individual, small group, and/or large group counseling support, as requested.
- e. The Coordinator of Student Activities and the Office of Student Engagement at Hastings College are able to provide advice, assistance, and encouragement to student organizations for their development and promotion of guidelines for responsible decision-making about alcohol use by their members.
- f. The Coordinator of Student Activities and the Office of Student Engagement at Hastings College are available to promote and facilitate any student organization's efforts to provide alcohol free social and recreational options.

Health Risks: Alcohol and other drugs of abuse are a major health problem in the United States. Traditional college-age students are particularly vulnerable to the consequences of alcohol and other drug abuse. The problems associated with alcohol and/or other drug consumption covers a broad range including physical and psychological illnesses (acute alcohol poisoning, mood disorders, self-destructive behavior, and suicide). Accidents, homicides and suicide are the leading causes of mortality in the traditional college-age population. Alcohol is also a contributing factor in poor decision-making that can lead to unsafe behaviors (arguments, fights, driving while intoxicated, sexually transmitted infections.) Consequences of alcohol and other drug abuse include liver damage, gastrointestinal diseases, cancer, and permanent damage to the brain and nervous system.

Alcohol Policy for College Sponsored Off-Campus Excursions

There are special considerations related to the use of alcohol during off-campus excursions when those excursions extend outside of the regular instructional day, and may extend for several days. These considerations stem from the need to balance the rights of students to exercise their personal freedoms with the responsibility of the college to maintain a safe and effective learning and teaching atmosphere during such excursions. Therefore, the following policies will govern the use of alcohol by students on college-sponsored off-campus excursions, such as field trips and sporting events. Sponsoring departments and trip organizers may establish restrictions in addition to these (e.g., Athletic Department prohibitions on any alcohol consumption by athletes, a faculty member deeming alcohol consumption inappropriate in association with the purposes of the trip.):

1. Students must observe all laws pertaining to alcohol use in the jurisdiction where the excursion takes place. These include, but are not limited to, legal drinking age, prohibitions against providing alcohol to minors, restrictions against operation of a motor vehicle while under the influence of alcohol, and alcohol-restricted zones such as parks, public buildings, and campgrounds.
2. Students must refrain from the consumption of alcohol during periods that College faculty members define as instructional periods. Instructional periods may include any part or all of any given day during the excursion and are not limited to periods used for direct instruction.
3. Students may consume alcohol only during periods defined as personal, non-instructional time. Students who use alcohol during personal, non-instructional, time must do so in a manner that allows them to be prepared to participate fully in subsequent instruction with complete sobriety and without physical or mental impairment.
4. At all times students are responsible for following the Hastings College Code of Conduct.
5. Illegal drugs, as defined by campus policy are prohibited during any off-campus excursion.

6. Students are ultimately responsible for their own behavior and compliance with laws and regulations of the local jurisdiction, Hastings College policies, department restrictions and faculty authority.

Guidelines for Events where Alcohol is Present (not an all-inclusive list, but intended to provide some basic suggestions)

Parking Policy

Vehicles on Campus

The operation of a motor vehicle on Hastings College property is considered a privilege and is not an inherent right. However, the college recognizes that an automobile is often necessary and is a convenient form of

transportation. The college attempts to provide ample parking space for students, faculty, and staff. The college is not responsible for fire, theft, or damage to any vehicle parked or operated on the Hastings College campus or any articles left therein. Any damages should be reported immediately to the Hastings Police Department, the Office of Student Life, and/or Campus Safety. Faculty, staff, and students are responsible for knowing the regulations governing the operation, possession, and control of motor vehicles on the college campus.

Vehicle Registration

All students, faculty, and staff who possess motor vehicles of any type for their use, and who wish to park on campus while at Hastings College, must first register their vehicle with the Office of Student Life. At the beginning of the academic year, vehicles may be registered at other selected locations such as Hazelrigg Student Union or in the residence halls.

Service Animal/Emotional Support Animal Policy

Hastings College recognizes that students and other persons with disabilities might require the assistance of a Service Animal while on campus, or an Emotional Support Animal while living on campus or living in College Housing. See full policy at www.hastings.edu/disability-services.

Service Animals

In general, Hastings College will not ask about the nature or extent of a person’s disability, but representatives of the College may make two inquiries to determine whether an animal qualifies as a Service Animal if the person’s disability is not readily apparent and/or the Service Animal’s task related to that person’s disability is not readily apparent: (i) if the animal is required because of a disability; and (ii) what work or task the animal has been

specifically trained to perform to assist the disabled person. Hastings College will not require documentation that a Service Animal has been certified, trained, or licensed as a Service Animal.

A Service Animal may accompany a person anywhere on campus. In limited situations, however, a Service Animals may be restricted (i.e. certain lab activities would be compromised by the presence of an animal). In such a case, the Office of Student Life will seek to arrange an accommodation.

Service Animal Etiquette by Students and Staff

Service Animals provide vital assistance to their owners. Hastings College provides the following etiquette expectations when a member of the Hastings Community utilizes the assistance of a Service Animal:

- Allow a service animal to accompany the partner at all times and everywhere on campus except where service animals are specifically prohibited (Emotional Support Animals are only allowed in student residence and outside of all campus buildings).
- Do not pet a Service Animal without permission of the Handler; petting a Service Animal when the animal is working distracts the animal from the task at hand.
- Do not feed a Service Animal. The Service Animal may have dietary requirements. Unusual food or food at an unexpected time may cause the animal to become ill.
- Do not deliberately startle a Service Animal.
- Do not separate or attempt to separate a Handler from her or his Service Animal.
- Do not inquire about what tasks the Service Animal performs for the Handler.

Emotional Support Animals

Hastings College recognizes that students with disabilities, including certain emotional needs, might require the assistance of an Emotional Support Animal while living on campus in College residence halls and other College housing. A student who desires to bring an Emotional Support Animal on campus must comply with this policy, complete the required form, and submit it to the Office of Student Life at least thirty (30) days prior to bringing the Emotional Support Animal on campus. Upon submission of the form, a letter will be sent back to the student with information on the approval or denial of the request with instructions as appropriate. Emotional Support Animals on campus are allowed in limited situations/locations when required by law and related to a student's disability. All legal requirements must be met before a student is authorized and approved to bring the Emotional Support Animal on campus. The College will decide on a case-by-case basis whether the animal is approved as an "Emotional Support Animal." The animal must be necessary for the student with a disability to have equal access to housing and the accommodation must also be reasonable. An accommodation is unreasonable if it presents an undue financial or administrative burden on the College, poses a substantial and direct threat to personal or Campus Safety or constitutes a fundamental alteration of the nature of the service or program. Emotional Support Animals are only allowed within a student's residence and outside of all campus buildings.

Grievance Procedures

If a Handler of a Service Animal, a student owner of an Emotional Support Animal, or any other person on campus has a complaint due to the presence of a Service Animal or Emotional Support Animal, or due to a decision by the College regarding any such animal, that person may file a complaint or appeal with the Office of Student Life. Said complaint or appeal will be handled per the applicable Student Code of Conduct and Hastings College policies and procedures.

Student Code of Conduct

I. INTRODUCTION

Hastings College is an educational institution in which there is an atmosphere of learning, as well as a sense of community. The College prides itself upon the principles of academic integrity, self-respect, and individual responsibility.

Student generations come and go, colleges continue. Because of this, and since interpretations of responsible living differ from locale to locale, every college community, by tradition or through adopted college policy, has established minimal regulations that must be made clear to all.

Since many aspects of a student's conduct are deliberately not covered by the Student Code of Conduct which follows, the College expects a great deal of its students in exercising common sense and in observing commonly accepted moral and ethical standards. Students violating such standards may be subjected to disciplinary proceedings by one of the Student Judicial System's judicial bodies, (the respective Residence Hall Councils, the Student Judiciary Council, or the Administration of the College). All students are expected to comply with the procedures and decisions of these judicial bodies.

Students who enroll at Hastings College assume an obligation to conduct themselves in a manner compatible with these principles—a manner which will bring credit to themselves and to the College—and to see that their guests observe these same principles at all times.

Hastings College reserves the right to suspend or otherwise administratively withdraw any student whose conduct is deemed to be an affront to the history and traditions of the College or whose behavior brings discredit to the College or who poses by reasonable assumption a threat of danger or harm to self or any member of the College community. Said suspension or withdrawal may be undertaken pending the outcome of criminal proceedings against a student without presumption of guilt. Particularly in the case of felony criminal charges, suspension or withdrawal will be the presumed course of action by the College.

The following Code of Conduct applies to all students and guests.

The term "student" shall include, but is not limited to, all persons present on the campus for the purpose of enrolling for classes, completing classes, or participating in College-sponsored activities (for example: orientation activities, final exam periods, independent study, intercollegiate athletic competitions during recess periods).
6. The term "judicial body" means any person or persons authorized by the Office of Student Life to determine whether a student has violated the Student Code and to recommend imposition of sanctions.
7. The term "judicial adviser" means a Hastings College official authorized on a case-by-case basis by the Office of Student Engagement to impose sanctions upon students found to have violated the Student Code. The Office of Student Engagement may authorize a judicial adviser to serve on more than one judicial body.
8. The term "appellate board" means any person or persons authorized by the Office of Student Life to consider an appeal from a judicial body's determination that a student has violated the Student Code or from the sanctions by the Judicial Body.
9. The term "shall" is used in the imperative sense.

13. The term "cheating" includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; and/or (3) the acquisition, without permission, of tests or other academic material belonging to a member of the Hastings College Faculty or staff.

14. The term “plagiarism” includes, but is not limited to, the use, by paraphrase of direct quotation of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

III. JUDICIAL AUTHORITY SUMMARY

The Student Judicial System at Hastings College was developed to provide the College community with a structured process which upholds the ideals, objectives, and goals of the College. While the system is not intended to be a duplicate of proceedings in a court of law, it is designed to be a process in an educational setting that will enhance and protect the rights and property of all members of the Hastings College community. The judicial system of the College is composed of four basic systems:

1. Residence Life Conduct Board: Review violations of the Student Code of Conduct that occur in or affect the residence halls, campus houses and Bronco Village Apartments (see fuller description in Referral Procedures and Jurisdiction below).
2. VII. REFERRAL, HEARING PROCEDURES AND JURISDICTIONS

The student judicial system comprises systems that include the following: Residence Life Conduct Board and Student Judiciary Council, Administrative Hearing, and Academic Affairs Committee. Reports of violations of Student Code of Conduct are referred to the respective body or office that is responsible for adjudication.

Reports or referrals of violations that occur in campus housing jurisdiction are referred to the Residence Life Conduct Board. Students who are referred to these bodies are informed of hearing procedures. Reports or referrals for violations outside of these jurisdictions are referred to the Dean of Student Engagement or Director of Operations.

The Office of Student Engagement makes final determination of whether a case will be conducted through the Student Judiciary Council or through the Administrative Hearing process. If the Office of Student Engagement determines that the referral will be adjudicated through SJC, the referral is forwarded to the Chair of SJC for further processing.

If the Office of Student Engagement determines that the referral will be adjudicated through the Administrative hearing process, the Office of Student Engagement promptly summons/contacts the student(s) to make an appointment for a hearing to discuss the report/violation.

Referrals for violations can be made by any student, faculty or staff via an online form at found [here](#).; however, referral for violations that occur in residence halls and Bronco Village Apartments are typically made by the respective residence hall or Bronco Village Apartment staff. Hearings are closed to only the adjudicating body/administrator and the referred student(s). However, in cases involving sexual violence (including sexual misconduct, domestic violence, dating violence, sexual exploitation, stalking, retaliation, intimidation, sexual harassment and hostile environment caused by sexual harassment), students (both the reporting and the

responding party) may invite an advisor of their choosing to attend the hearing. In the event that a student chooses to ask an advisor to be present at a hearing with the student, it is important to note that the advisor's presence in a hearing is for support and advice purposes only i.e., advisors are not permitted to speak for/on behalf of the student, or to otherwise engage in the proceedings in any way or to cross examine witnesses. The advisor may be a friend, family member, attorney or other person of the student's choosing. However, if any advisor, including an attorney, is deemed to be disruptive or attempts to speak for or on behalf of the student or who attempts to participate in the proceedings, that advisor may be excluded from the hearing or meeting room.
