Any corrections made based on this documentation will be reported to you by the Federal Student Aid Center on an updated Student Aid Report.

Student Income and Tax Information:

You indicated on your FAFSA that you (and, if married, your spouse) did not file and were not required to file a 2020 income tax return with the IRS.

Please check the box that that applies:

- I (and, if married, my spouse) was not employed and had no income earned from work in 2020.
- I (and/or my spouse, if married) was employed in 2020 and have listed below the names of all employers, the amount earned from each employer in 2020, and whether I received an IRS W-2 form. Attach copies of all 2020 W-2 forms issued to you (and, if married, to your spouse) by employers. List every employer even if the employer did not issue an IRS W-2 form.
