

**Dependent Student
Indicated on FAFSA
Unsubsidized Loan Only
2024-2025**

Student's Name: _____ **HC ID# or last 4# of SSN:** _____

You have submitted a FAFSA indicating that you are a dependent student for financial aid purposes, but did not include parent information on your FAFSA. Without including parent information, you can only receive an unsubsidized loan if:

NOTE: Without parental information on the FAFSA you will NOT be eligible to receive any federal grants, subsidized loans, need-based scholarships, federal work-study awards and Federal Parent PLUS loans.

I understand that by not providing my parents' information on my FAFSA, my financial aid award may be less than it would otherwise be. I also understand that unsubsidized loans accrue interest from the time the unsubsidized loan is disbursed until it is paid in full. While I am still attending school at least half-time, I can choose to pay the interest or allow the interest to be added to the principal amount of the loan.

If you need to change this submission, please log back into your FAFSA at studentaid.gov and correct this entry and then invite your parent to complete their section.
